## OBJECTIV

---

Experienced and compassionate veterinary professional with over 10 years of expertise in animal care, veterinary assistance, and customer service, including direct experience working in a zoo environment. Seeking a fulfilling role at Toronto Zoo to leverage my extensive background in animal welfare and visitor engagement. My partial visual disability has equipped me with a unique perspective and adaptive problem-solving skills, fostering inclusivity and collaboration. Passionate about contributing to the zoo's mission of education, conservation, and providing exceptional care for animals and guests alike.

## SKILLS AND QUALIFICATIONS

---

- **Zoo Environment Experience:** Hands-on experience working in a zoo, ensuring animal welfare while maintaining a safe and engaging environment for visitors.
- **Customer Service Excellence:** Proven ability to deliver exceptional guest experiences, addressing inquiries, resolving issues, and fostering positive interactions with diverse audiences.
- **Communication and Teamwork:** Strong verbal and written communication skills with a collaborative mindset, effectively working with colleagues, volunteers, and the public.
- **Adaptability and Problem-Solving:** Skilled in adapting to unique challenges and finding innovative solutions, enhanced by a partial visual disability that fosters resilience and inclusivity.
- **Technical Proficiency:** Proficient in using computer software, including Microsoft Office, and experienced in data entry and record management.

## WORK EXPERIENCE

---

**AVA Humane Society**  
Volunteer

**Pickering, ON**  
10/2024– Present

- Assist in providing care and support for rescued animals, including feeding, grooming, and medical evaluations.
- Educate the public on animal welfare and adoption processes, promoting community engagement.
- Help coordinate fundraising and outreach events to support the society's mission.

**Rosebank Animal Hospital**  
Veterinary Assistant

**Pickering, ON**  
03/2024 – 05/2024

- Assisted veterinarians during examinations, surgeries, and routine procedures, ensuring smooth operations.
- Managed reception duties, including scheduling appointments, handling client inquiries, and maintaining medical records.
- Provided guidance to pet owners on post-treatment care and preventive health measures.

## **Integrated Turkey Production Chain of Zarrin Broiler Farm**

Farm Manager & Veterinarian

**Esfahan, Iran**

11/2016 – 11/2023

- Reduced livestock mortality by 10% in the first year and by 25% by the third year through improved health management protocols.
- Implemented advanced biosecurity measures, significantly reducing disease outbreaks.
- Optimized feeding programs, resulting in a 15% increase in production efficiency.
- Trained and supervised a team of 15 staff members, enhancing team performance and compliance with animal welfare standards.
- Collaborated with local organizations to implement conservation initiatives and sustainable farming practices.

## **Kish Dolphin Park**

Veterinary Assistant

**Kish Island, Iran**

03/2012 – 03/2013

- Monitored the health and well-being of diverse wildlife, including marine mammals, birds, circus animals, aquarium species, and vivarium inhabitants.
- Conducted regular health checks and supervised the overall care of animals, ensuring optimal living conditions.
- Improved breeding programs, resulting in a 10% increase in birth rates through enhanced monitoring and optimized care practices.
- Maintained detailed records of feeding schedules, breeding data, and health observations to support effective management and conservation efforts.
- Collaborated with a multidisciplinary team to implement animal welfare protocols and promote species-specific care practices.

## **EDUCATION**

---
