## **CLINICAL EXPERIENCE**

### **Registered Nurse | Sultan II. Abdulhamid Han Hospital, Turkey (2017-2022)**

- Delivered patient-centered care in internal medicine and neurosurgery units.
- Managed chronic illnesses such as diabetes, hypertension, and organ failure.
- Provided wound care, assisted in neurosurgical procedures, and ensured smooth post-op recovery.
- Educated patients on disease management and lifestyle interventions.
- Collaborated with physicians, physiotherapists, and allied health teams to optimize outcomes.

### **Personal Support Worker (PSW) | Home Clients – Hamilton, Ontario (2023 - Present)**

- Provided personalized home care for elderly clients with mobility challenges and chronic conditions.
- Assisted with transfers using ceiling lifts, personal hygiene, dressing, and feeding.
- Administered insulin and monitored blood glucose levels.
- Supported clients with medication reminders, meal prep, and emotional companionship.
