

# Building Connections: Networking Skills for Job Seekers

Join us for an interactive session to build your networking skills and confidence when engaging with employers and industry professionals, and learn how to create strong professional connections.

## YOU WILL LEARN

- Understand the importance of networking in the Canadian job market
- Learn practical strategies for building strong professional relationships
- Gain confidence in starting and maintaining meaningful conversations
- Discover tools and tips to leverage networking opportunities — both online and in person

**Date: Wednesday, January 21, 2026**
